

August 20, 2008

Dear Club Member,

We hope you have had a wonderful summer and fuel prices didn't crimp your summer plans. With snow in our sights, it is now time for us to start thinking about the upcoming winter season.

As fall approaches, so does our annual membership drive. Membership dues remain the same with both family & individual memberships costing \$25.

Two years ago New York State introduced the two-tier registration system which has helped funding tremendously. So remember you must belong to a snowmobile club to receive a voucher to register your sled for \$45, otherwise it will cost you \$100 per snowmobile. Part of your membership goes to NYSSA which enrolls you in that organization as well.

You can join our club two ways, you can visit our website at northernwarrentrailblazers.snowclubs.com and select the "Join our Club" button and follow the instructions to download your membership voucher, last year's membership card will provide the membership number to make this process easier OR you can fill out the enclosed application and we will mail the voucher to you.

Last year we had 803 members a new record. We also had a tremendous number of positive comments regarding the Club House being available on weekends for our members to stop in, get warm, have a bowl of chili, use the facilities or just to say Hi. We will continue to offer this and hope to increase both the times it is open and usage.

Dates for upcoming meetings are as follows Sunday Sept. 7th 6pm, Friday Oct. 3rd 7pm and Sunday Nov. 2nd 6pm. All meetings will be at the Club House on Knapp Hill. We have also scheduled 2 work days. Saturday 10/4 and Sunday 10/5 meet at the Club House at 8:30 am.

Please visit our website and click the subscribe button. This allows us to email you information and it costs nothing. We will notify you regarding any changes or additional upcoming meetings or events. It's that simple. You can also access this information via our Snow Phone at 518-494-0113.

Our funding depends directly on members and registrations so please join and register your sleds as soon as possible.

We truly appreciate your support.

Thank You,
